MANGERS CORNER

I want to take this opportunity to thank each and every customer for their support so far this year. We can describe 2009 as "the year of the unpredictable", and even thru these quite times we could depend on your support. We are entering the last two months of the year, and lets hold thumbs that everybody left their windows a bit late to cover.....may November and December be over exceptional for all of us!

On behalf of management and all staff at Aluvert, we want to wish you and your families a blessed and fantastic festive season.
