

## NEW PRODUCT

### 1.) New Fabric for Roller and Panel Blinds

Shearweave 3000 and 4500

- Very exclusive fabric.
- Best pricing available only at Aluvert (Group 3)

### 2.) “Silent Salesman”

A new display stand is available at R2, 500.00. The stand includes 11 blinds. Use it in your showroom or use it as a “Silent Salesman” in a mall or anywhere where people are shopping. Call your sales representative for more detail.

(735 X 735 X 1900mm including wheels)

### 3.) Verti-Panel Blind (Available Now!)

This new and exciting product resembling a panel blind but operates like a vertical blind. This simple and smooth operation has a sleek, contemporary look; using our existing ultra glide system with **250mm** panels. Samples and pricelists will be available from your sales representative or customer care. Newest big thing in Europe!

### 4.) New Panel Blinds (Available Now!!)

The perfect solution for sliding doors and large windows.

**This new improved track system is here!** Comes standard with cord operation but also available with a wand.

\*\*\*Available in ALL Bamboo and Roller fabrics\*\*\*

### 5.) New Roller Blind Bottom rail (Available Now!)

New improved system with matching fabric wrapped around the bottom rail! Roller blinds now come standard with new **chain support** (makes it a much neater look).

**COMING SOON - NEW  
AND EXCLUSIVE TO  
ALUVERT**
